NOTE: All vehicles using landfills must be permitted. The cost is \$10.00 per vehicle for 1st year. The renewal fee is \$5.00. Permits are issued Monday through Friday 8:30 a.m. to 4:00 p.m. Each hauler is responsible for properly placing the permits on each side of the correct vehicle. Failure to place the permit on the proper vehicle could result in forfeiting access into the landfill or result in having to purchase a new permit for proper placement. **All waste loads being transported on roadways must be covered to prevent spillage (littering).** No medical, liquid, or hazardous waste is accepted at the county landfills. All Special Handling Waste and industrial waste must be permitted and approved by Aiken County prior to burial.

All landfill accounts are billed on a monthly basis and payment is due by the 25th of the month immediately following the charges. All charges are based on fees in effect on the date of delivery as established by the Aiken County Council.

Additional permits may be obtained by: _____, or _____

AIKEN COUNTY LANDFILL HAULER/PERMIT APPLICATION

ASBESTOS material must have prior DHEC written authorization and County approval for disposal into a designated landfill. For more information regarding disposal call 642-1533.

Mixed C&D and MSW Loads:

Other loads of C&D (construction and demolition) and yard waste must not have lunch waste or household trash type waste mixed in the load. Proper loading will prevent your load being refused due to improperly mixed waste that will have to be separated.

Recycling:

The following materials are recycled by Aiken County and can be delivered, clean of other waste and separated, to the Barden C&D Landfill at 'NO CHARGE'.

Cardboard	Mixed Paper (newspaper, magazines, junk mail, pasteboard, books)
Clear Glass	Aluminum Cans Steel cans Soda bottles
Milk bottles	Scrap metal White goods Batteries (vehicles)

Permits:

Permits must be placed on each side of vehicle. Should one decal become lost, damaged, or faded due to harsh detergents being used when washing vehicle, a new permit will have to be purchased.

Check list: Received from applicant, given to applicant, or reviewed with applicant.

1. Public Works received copy of vehicle(s) registration. _____
2. Applicant was given copy of DHEC Appendix I and II. _____
3. PWE received completed profile of waste to be hauled. _____
4. Applicant was given copy of profile form to be used for future jobs. _____

6. Applicant advised RSC open Monday - Friday and accepts recyclables from 7:30 a.m. until 3 p.m. _____
7. Applicant received copy of waste type and cost per ton. _____

Littering:

THERE ARE STATE LAWS AND COUNTY ORDINANCES PERTAINING TO THE PROPER HAULING OF WASTE. ONE SUCH REGULATION REQUIRES THAT ALL LOADS, HOWEVER SMALL, BE COVERED TO PREVENT DEBRIS BLOWING FROM A VEHICLE AND SPILLING ONTO THE HIGHWAYS OR OTHER PROPERTY. Such violations are subject to monetary fines and/or community service time - such as picking up litter along the right-of-way. Improper dumping may result in confiscation of vehicle.

Billing:

Statements are mailed by the 5th of the month following the month you incur charges. The total bill is to be paid no later than the 25th, unpaid accounts after this time will be assessed a delinquent fee of 10% and no less than \$8.00 per account. Landfill access will be denied until account is brought current.

I read, understand, and will comply with all of the above. I received a copy of the application. _____
